# Important Information for Prospective Student Members

At The Inner Temple, we are committed to providing prospective Bar Course students with transparent information and statistics to assist them in making an informed decision about their prospects. Prior to undertaking the significant financial commitment involved in training for the Bar, you should make every effort to research the qualifications and characteristics needed to be successful.

Being a barrister can be an extremely rewarding career if you:

- have a high level of intellectual ability
- are articulate in written and spoken English
- can think and communicate under pressure
- have determination and stamina

It is important that anyone who embarks on a career at the Bar is aware of the level of competition involved in securing a permanent position in the profession. As you will be aware, successful completion of pupillage is required to obtain a practising certificate at the Bar of England and Wales. Pupillages are highly competitive to obtain and limited in number. There were around 400 pupillages overall last year. It is estimated that **40% of UK/EU nationals who successfully complete the Bar Course will eventually secure a pupillage in England and Wales.**

While pupils increasingly come from a diverse set of backgrounds, one factor remains the same: high academic merit is key to securing pupillage. The majority of students who secure a pupillage achieved at least an upper second class (2:1 in the UK) in their undergraduate degree as well as high A-level grades. In addition, successful candidates will have undertaken a number of mini-pupillages in Chambers or Employed Bar organisations and participated in relevant extra-curricular activities. Work experience and suitable extenuating circumstances may also be taken into consideration. **Of Inner Temple pupils last year, 90% had gained a 2:1 or First in their undergraduate degree.** Those pupils who had gained a 2:2 in their undergraduate degree were mainly mature candidates with several years of work experience.

The Inn believes it is essential that student members and prospective student members are mindful of these success rates. Should you wish to discuss, please do not hesitate to contact Daisy Mortimer, Outreach Manager, on +44(0)20 7797 8262, or email [dmortimer@innertemple.org.uk](mailto:dmortimer@innertemple.org.uk).

# Guidance on Certified Copies

Students applying for admission to the Inn need to provide a certified copy of photo identification (“photo ID”). Acceptable forms of photo ID are:

- Current signed passport
- Current full UK or EEA photocard driving licence
- National identity card bearing a photograph of the applicant

Students applying for admission to the Inn who have completed their law degree need to provide a certified copy of their degree certificate.

Should you bring your application to the Inn in person you may bring your original photo ID and degree certificate and we will take our own copies. You **must not** send your original photo ID or degree certificate by post as we will not be responsible for its safe return to you.

## WHO CAN CERTIFY A DOCUMENT

- teacher or lecturer

The person you ask must not be:

- related to you
- living at the same address
- in a relationship with you

The Post Office also offer a document certification service.

## HOW TO CERTIFY A DOCUMENT

- writing ‘Certified to be a true copy of the original seen by me’ on the document
- signing and dating it
- printing their name under the signature
- adding their occupation, address and telephone number

The person certifying the document may charge you a fee.

Please refer to the [BSB website](#) which has information for students when completing this declaration.

## What information is asked?

The questions on this declaration are being asked to ensure that you can uphold the Core Duties which underpin the behaviour expected of barristers. These Core Duties are set by the Bar Standards Board. In deciding whether someone can uphold the Core Duties consideration is given to whether they are fit and proper. **Disclosures will not automatically result in an application being refused.** To make that fit and proper consideration, information relating to past or ongoing matters from the following categories is requested:

- Criminal Offences;
- Academic History;
- Regulatory History; and
- Other Behaviour.

## How will my information be handled?

Your data will be processed in accordance with the Inn's data protection policy for the administration of its membership records and to achieve its obligations as set out in a Memorandum of Understanding agreed with the Bar Standards Board, Council of the Inns of Court and other Inns of Court. If you would like more information on the legal basis for the processing of your information, please contact the Inn.

## What should I do if I want help in completing my Admission Declaration?

## Fit and proper person checks

In order to be called to the Bar, a person must be a fit and proper person to become a practising barrister. There are two points at which the Inn checks that there is nothing that would call into question your fitness to become a practising barrister.

First, before joining the Inn: You are required to make this Admission Declaration. Once you are a student member, you have an ongoing duty to report to the Inn any matter that might call into question whether you are a fit and proper person to become a practising barrister.

Second, before being called to the Bar: You will have to make a second declaration when you apply to be called. For those wishing to be called on or after 1 July 2021 the Bar Standards Board also requires a 'Standard' DBS check and the international equivalents for all candidates. The Inn will use the resulting certificates, along with other information set out in this declaration and the Call Declaration, and subject to the Bar Standards Board decision-making [guidelines](#), to help it to determine whether you are a fit and proper person to become a practising barrister.

Question 2 – Do you understand that when you apply to be called you will need to comply with the Inn’s process for administering the criminal records checks, and if you do not comply, you will not be called?

Yes

No

Question 3 – Do you have any spent or unspent convictions, cautions, or final warnings in the UK or any other country, save those which are ‘protected’ by law?

Before answering this, please read the information for students on criminal records disclosures on the Bar Standards Board website. Note you are **not expected to disclose any criminal convictions or cautions that would be ‘protected’ by law or ‘filtered’** by the Disclosure and Barring Service. If you are still unsure if a matter is protected, please contact the relevant officer at the Inn.

Yes

No

If you have answered ‘yes’, use the space below to provide any relevant details.

Question 4 – Are you, or have you ever been, subject to any investigations or proceedings by a higher education institution? This includes any pending academic or misconduct complaints, proceedings or actions and/or previously upheld findings.

Yes

No

If you have answered ‘yes’, use the space below to provide any relevant details.

Question 5 – Are you, or have you ever been, subject to any investigations or proceedings by a professional or regulatory body? This includes any pending complaints, proceedings or actions and/or previously upheld findings.

Yes

No

If you have answered 'yes', use the space below to provide any relevant details.

Question 6 – Do you have, or have you ever had, a condition (including an addiction to drugs or alcohol) which means you may pose a risk to any member of the public or which may impair your judgment as a practising barrister?

Question 7 – Are you, or have you ever been, the subject of an arrangement with a creditor or entered into an involuntary arrangement with creditors? Question 8 – Are there any other matters which might reasonably be thought to call into question your fitness to become a practising barrister? This includes but is not limited to civil injunctions or criminal orders.

Note you are **not expected to disclose any criminal convictions or cautions that would be 'protected' by law or 'filtered'** by the Disclosure and Barring Service. If you are still unsure if a matter is protected, please contact the relevant officer at the Inn.

Any change of name should be notified in the first instance to the Membership Registrar, who will inform the Bar Standards Board.

#### 3. APPLICATION UNDER SECTION 2 (UK AND REPUBLIC OF IRELAND DEGREES)

- (1) For the purpose of this section, a degree means a qualification obtained by examination which:
  - Must be awarded at Level 6 (or above of the framework for Higher Education Qualifications by a recognised degree-awarding body;
  - It must be compliant with the QAA Subject Benchmark Statement for Law. If the degree is another subject, students must complete the Graduate Diploma in Law

- (1) Those applying under these sections are reminded that they must have obtained a Certificate of Academic Standing from the Bar Standards Board before they may be admitted to an Inn of Court.

#### **5. SECTION 5**

The statements of intent made in this section will not be considered binding on applicants. It is, however, useful to the Inn to have some preliminary idea of applicants' intentions.

#### **6. APPLICANTS SHOULD NOTE THE FOLLOWING**

- (1) Attendance on the Bar Course at an Authorised Education and Training Organisation is compulsory for all students intending to practise at the Bar of England and Wales.
- (2) Admission to an Inn of Court is NOT the same as registration for the Bar Course at an approved institution. A separate application to an Authorised Education and Training Organisation will need to be made.

#### **7. POSSIBLE CHANGES TO THE BAR TRAINING REGULATIONS AND REQUIREMENTS LAID DOWN BY THE BAR STANDARDS BOARD FOR COURSES WITHIN ITS REMIT**

- (1) The rules which govern admission to an Inn of Court, the courses and examinations that fall within the remit of the Bar Standards Board, and call to and practice at the Bar ([Memorandum of Understanding](#), [ICC Rules](#), [Bar Handbook](#) and the [Bar Qualifications Manual](#)) are constantly under review.

As prospective students often delay making application to an Inn of Court for many months (and sometimes years) after their original enquiry they may believe that the Regulations have remained the same. Often, they are seriously mistaken in such a belief. In their own interest, therefore, they should, in the case of any such delay in following up their initial enquiries, check that they are using up-to-date forms and have up-to-date information on the Regulations.

## Introduction

1. The Honourable Society of the Inner Temple ("the Inn") needs to collect, process and use information about its members and other contacts to carry out its work. We seek to ensure that all personal information is collected and dealt with appropriately – regardless of the material, media or form it is collected through or stored on. We aim to ensure that this is done with reference to the framework laid out in the Data Protection Act 2018 ('DPA2018') and the General Data Protection Regulation (GDPR) (the legislation). We also aim to ensure that our data policy and the rights of the data subject are transparent and understandable.
2. This policy sets out the basis upon which any personal data that we collect from you, or that you provide to us, will be processed and with whom, if anybody, it may be shared. This document should be read carefully by members, and anyone else whose data might reasonably be expected to be processed by the Inn, to inform them of the Inn's data practices and procedures.

The information that we collect will include: your name, date of birth, a postal address, email addresses, your contact telephone number(s), education/employment information, and, where relevant, criminal record information. We will also collect diversity monitoring information for outreach activities, when you apply to join the Inn, apply for a scholarship or become a Bencher, so that we can support the Inn's work on monitoring social mobility and access to the Bar in line with the Inn's equality and diversity policy. We will also collect criminal records information for the purposes of fit and proper person checks at admission to the Inn, Call to the Bar and if disciplinary matters arise while a student member of the Inn.

8. Like most website operators, we collect non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. Our purpose in collecting non-personally identifying information is to better understand how our visitors use our websites. From time to time, we may release non-personally-identifying information in the aggregate, e.g. by publishing a report on trends in the usage of our website. We also collect potentially personally-identifying information like Internet Protocol (IP) addresses. We do not use such information to identify our visitors, anonymise wherever possible, and do not disclose such information, other than under the same circumstances that we use and disclose personally-identifying information, as described in the 'When you visit our website' section of this document.

9. The Inn may also use and disclose other information in aggregate for research, marketing, and strategic development purposes. Further, the Inn is required to share some of your data with external bodies, such as equality and diversity information with the Bar Standards Board and information in relation to admission and scholarships with the other Inns.

A Data Sharing Protocol is in place between the independent data controllers; the Bar Standards Board (BSB), the Council of the Inns of Court (COIC) and each of the four Inns of Court: Inner Temple, Middle Temple, Gray's Inn and Lincoln's Inn. This document ('the Protocol') provides a framework for the collection, sharing, retention and destruction of information. This is to support the BSB in the administration of its regulatory functions and to provide quality assurance that obligations administered by the Inns of Court and COIC are done so effectively. Members of the Inner Temple should make themselves aware of the protocol in order to better understand how their data may be shared. A copy of the protocol can be found [here](#).

10. The Inn may also ask you to complete surveys (both electronic and paper-based) used for research purposes.
